The Campaign Finance Office of the State Board of Elections has received the Articles of Incorporation for the above named committee. As required by NCGS § 163-278.19(g), the committee's purpose is to accept contributions and make expenditures to influence elections as a political committee **only**. Therefore, the committee is certified and able to conduct business as a political committee.

If at any time the purpose of the committee is changed and/or the Articles of Incorporation amended, this certification is void until such time the changes have been approved by the Campaign Finance Office.
